**REGISTRANT’S MEMORANDUM IN RESPONSE TO PETITIONER’S MOTION TO
AMEND PETITION TO CANCEL**

Registrant, GlueBoss Adhesive Company, LLC (GlueBoss), does not oppose Petitioner Accumetric, LLC’s (Accumetric) motion to amend its Petition to Cancel.

As a result of Registrant GlueBoss’s motion to dismiss in part, Accumetric has moved to amend its Petition to Cancel in order to withdraw its original allegations based upon a false suggestion of a connection with Petitioner Accumetric under §2(a) of the Trademark Act, 15 U.S.C. § 1052(a). In view of Petitioner dropping those allegations, Registrant GlueBoss does not oppose the proposed amendment. Registrant GlueBoss does, however, deny that the subject registration should be cancelled or that remaining allegations of the Petition to Cancel provide a basis for cancellation of the subject registration.

Respectfully submitted,

GlueBoss Adhesive Company, LLC
